

LOCAL SEO CHECKLIST

AHMEDABAD BUSINESSES

FREE RESOURCE

If you only do three things this month:

1. Verify and fully complete your Google Business Profile.
2. Set up a repeatable system for asking for reviews.
3. Fix NAP consistency across the main directories.

1. GOOGLE BUSINESS PROFILE

- ☐ Profile claimed and verified; check status regularly.
- ☐ Real business name only; no appended keywords.
- ☐ Most specific accurate primary category selected.
- ☐ Genuine secondary categories added.
- ☐ Address format consistent; map pin accurate.
- ☐ Phone answered; hours and festival hours correct.
- ☐ Add 8-10 genuine photos; avoid stock imagery.
- ☐ Factual business description; list products/services.
- ☐ Enable messaging only if you can reply promptly.

2. REVIEWS

- ☐ Create a repeatable review-request process.
- ☐ Respond professionally to positive and negative reviews.
- ☐ Never buy, fake or incentivise reviews; no review gating.
- ☐ Keep review activity natural and steady.

Note: regulated professions should check their own code of conduct.

LOCAL SEO CHECKLIST

3. NAP CONSISTENCY

NAP = Name, Address, Phone.

- ☐ Choose one exact business name/address/phone format.
- ☐ Match website footer and contact page.
- ☐ Audit JustDial, Sulekha, IndiaMART, Yellow Pages and local listings.
- ☐ Update old addresses and stale listings.
- ☐ Match Facebook, Instagram and LinkedIn details.
- ☐ Use a consistent phone number format.

4. WEBSITE BASICS

- ☐ Test mobile speed on real service pages.
- ☐ Make phone number tap-to-call.
- ☐ Add accurate address and map on contact page.
- ☐ Create separate pages for distinct services.
- ☐ Mention Ahmedabad and relevant areas naturally.
- ☐ Add accurate LocalBusiness structured data.
- ☐ Ensure HTTPS is enabled.
- ☐ Connect Google Search Console and Analytics.

5. LOCAL CONTENT

- ☐ Mention real local context and areas when useful.
- ☐ Build area pages only when content is genuinely distinct.
- ☐ Answer questions customers actually ask.
- ☐ Consider Gujarati content if customers search that way.

LOCAL SEO CHECKLIST

6. LOCAL LINKS AND MENTIONS

- ☐ List the business in legitimate directories, not bulk packages.
- ☐ Seek relevant trade-body or association links.
- ☐ Ask appropriate suppliers and partners for genuine mentions.
- ☐ Participate in local community activities where relevant.
- ☐ Pursue real local press coverage when there is news to share.

Quality matters more than volume.

7. ONGOING MAINTENANCE

MONTHLY

- ☐ Respond to reviews; post a Business Profile update.
- ☐ Check for unexpected changes to the profile.

QUARTERLY

- ☐ Re-check NAP consistency; review Search Console queries.
- ☐ Refresh business photos.

BEFORE FESTIVALS

- ☐ Update special hours for Diwali, Uttarayan, Navratri and closures.

AFTER ANY CHANGE

- ☐ Update phone, address and service details everywhere.
